Statement of Policies and Procedures

Fees are due on or before the first meeting of each calendar month for the month's entire course schedule. Financial accommodations may be made at the instructor's discretion and should be discussed upon initial registration. The **Registration Fee of \$50/students** is due upon receipt of registration forms and will be applied to the first invoice.

Class Size (minimum and maximum) is predetermined by instructor to give students the ultimate learning experience and individual attention. Enrollment is not guaranteed without Full Payment.

Registrations without full payment will be wait-listed if maximum class size is met with fully paid registrations. If minimum numbers of paid registrations are not met five (5) business days before class starts, parents will be notified that a course has been cancelled.

Refunds or Credits are given if class is full or if there is insufficient enrollment. Please note that payments are non-refundable if cancellation is made by participant, but at the discretion of the instructor payment may be used as credit for future classes.

Student Conduct will be discussed by the instructor with participants on the first day of classes. The goal of all policies and procedures are to ensure a safe and positive learning environment for all campers. Students are expected to follow directions, perform to the best of their abilities, and to respect others in the class. If necessary, parents will be informed of any misconduct which impedes the learning/safety of the student or of others. Every effort will be made to support the diverse behavior and learning needs of each student but, the instructor reserves the right to dismiss any student from a session if the safety of other students is severely or continuously impacted.

Special Needs (physical, cognitive, educational, or emotional) should be brought to the attention of the instructor prior to registration, to provide all of our students with the most effective learning environment. Information you give us will be kept in strictest confidence. If special assistance is required during the school day, parents/guardians must provide instructions prior to registration.

Late Child Pick-up will accrue additional charges of **\$25 after a 15-minute grace period**. It is important that students are picked up on time due to our rental agreement with the facility and to allow the following students to begin their class on time. Please call in advance if there will be any unusual delays.
